- » Recessed and Hidden Wiring
- » 4 Year Limited Warranty

NEW POLARIS DURALITE SERIES

We have reinvented the Polaris® Trailers Duralite Utility Series! This new product will come standard with the same side extrusion as the standard Polaris® Trailers Utility Series. Other key new features include bullet LED lights, aluminum rims on aluminum decked models and a 3.5K leaf spring axle with a 4" drop. With sizes ranging from 48x8 to 80x14 and featuring a brand new, stylish solid rail kit option, the Polaris Duralite Utility Series is sure to fit all of your hauling needs.

PU60x10DL-A
» Standard Model

Removable P-Cab Rail Kit

The premium removable P-Cab Aluminum Side Rail Kit gives you solid sides, protecting your cargo from some of the debris caused by normal travel.

The rail kit slides into stake pockets and maintains a low 9" profile so your cab doors can open and close freely while loaded.

See your dealer for a complete list of packages and options!

REVERSE BEAVERTAIL

For those of you who prefer the style and towability of our inline models, but need a little extra clearance to get you to your next riding destination, check out our “reverse beavertail”. Tapering the framework upward, at the rear of the trailer, we’ve gained an additional 5” of valuable clearance. No more “dragging bottom” as you leave the gas station and head for the trail.

EXTREME WEATHER PACKAGE

The “Extreme Weather Package” is designed to maximize your trailers’ functionality while protecting you, your sleds, and your gear from the harsh winter elements. Whether you’re warming up, or in need of a comfortable shelter to tinker on your machine, the “Extreme Weather Package” has you covered. Literally.

Extreme Weather Package Features

- » Insulated White Walls & Ceiling (3/4" Foam)
- » Marine-Grade Battery
- » 110V Power Package w/ 30A Panel
- » Deluxe 2-Door Wraparound Cabinet (w/ Furnace Compartment & Vented Battery Box)
- » 20# Propane Tank
- » 35,000 BTU Furnace w/ Thermostat

WRAP-AROUND RAMP

Through the introduction of the Polaris® Trailers wrap-around ramp, we have eliminated the hassle of loading and unloading enclosed snowmobile trailers. Not only does the 72" door opening significantly improve your approach angle in-and-out of the trailer, it sets the benchmark as the widest front door opening in the industry.

MULTI-PURPOSE TRAVEL TRAILERS

Our multi-purpose travel trailer will enhance the functionality of your tow vehicle. Reconfigured with a deluxe lift-top design, the PMT3x4 and new PMT4x6 feature 12" aluminum wheels, LED exterior lighting and a fully finished interior. Add an optional roof-top luggage rack or tongue-mounted cooler tray and you're off to the races...literally.

The PMT3x4 is designed for use with compact passenger vehicles only. By no means does Polaris, or any of its affiliates, recommend towing this trailer behind a motorcycle.
