- ◆ MOWERS

This patented broom is manufactured from heavy gauge steel, with durable finish, for long life. The tough, long lasting polypropylene bristles are thermally bonded into an extruded polypropylene strip, which is inserted into the steel base.

Replacing the bristles is as simple as sliding out the old strip and sliding in new strip, in a matter of minutes.

EASY to store... EASY to attach... EASY to use... EASY to maintain!

It Works!
Without the dust storm
