Introduce Young Riders to Adventure with Apollo's Sedna 12!

Give your kids their first riding experience with the Sedna 12, the perfect e-bike for children aged 3 and up. Featuring a 100W electric motor, it reaches a top speed of 12 km/h and offers a battery life of 1 hour 15 minutes. Its steel front suspension and aluminum alloy swingarm ensure a stable ride. With an adjustable seat height from 380 to 410 mm and a lightweight of 9.2 kg, this e-bike is ideal for little adventurers. Available in blue, green, orange, and red.
